Friday 8th January 2021

Dear Parents,

Welcome back! We hope that you and your children have had a relaxing Christmas and New Year.

Please find attached with this letter, the overview for this term. Our topic will be 'A Passage to India'. We are going to be looking at climate and terrain in India and comparing it to the UK. We will be studying trade and comparing cities in India to those in the UK. We will look at geographical features and landmarks and look at how and when India gained its independence. If you have any artefacts or resources that you think would be of use for this topic, please let us know. Perhaps the children would be able to share a photo of anything you think is relevant on Class Dojo.

Towards the end of the topic we are hoping to taste some Indian foods and sample a vegetable curry. We will keep you posted on this as in the current climate this unfortunately isn't possible. We hope that there will be lots of improvements soon so that we are able to!

Our P.E time continues to be on a Thursday; please could you ensure that your child comes into school in suitable P.E kit on this day. We will try and do as much P.E outside as possible so can they please come suitable dressed for this. Kingfishers' Forest School time will continue on a Tuesday. The children will continue to need to bring into school their school uniform to change into afterwards. Again, Forest School clothes need to be suitable for the very changeable winter weather.

Please continue to support your child with completing Spellings, Reading, (both school reading books and free reading for pleasure) homework activities and Doodle Maths wherever possible.

Please feel free to send us a message via Dojo or the School Office, or catch us at the end of the day if you have any concerns or queries.

We are very excited about this Spring Term ahead!

Thank you for your continued support,

Mrs Parker – Standley and Miss Sturgess
Kingfishers Year 4 Class Teachers
